

1st PIER Workshop on Quantitative Tools for Macroeconomic Policy Analysis

May 12-15, 2015

Application and Registration Form

Please fill in the information below by downloading the application and emailing this form together with a recent C.V. to the PIER program administrator Dolly Guarini at cguarini@econ.upenn.edu. Please also note that space is limited. The enrollment deadline is March 15, 2015 if space is still available.

Economists from central banks, international organizations, financial institutions, and government agencies, as well as faculty and graduate students are welcome to apply. The Workshop is intended for economists with sound knowledge of first-year, graduate-level Macroeconomics (PhD or Masters), and at least basic skills in one or more computational tools (e.g. Matlab, Econometrics software and/or computer languages).
