

Graduate Group in Economics

SATISFACTION OF WORKSHOP REQUIREMENT

SECTION 1

All economics graduate students must present a research paper in a regular afternoon workshop series (although participation in lunch workshops is advantageous and important, this does not satisfy the workshop requirement). Speak to the faculty seminar organizers to get onto the schedule to present in the afternoon workshop.

This is to certify that _____ has satisfied the regular afternoon workshop requirement.

He/She presented the paper entitled _____

in the _____ workshop on _____.
(name of workshop) (date)

(Faculty Name)

(Faculty Signature)

(Date)

SECTION 2

All students are required to complete two course units of an afternoon workshop (not lunch workshop) with a letter grade usually in their 3rd or 4th year in the program. This requirement is satisfied by regular attendance. Upper-class students are strongly encouraged to participate actively in workshops related to their areas of interest. Students are not required to present in the workshop they have formally registered.

This is to certify that _____ regularly attended the _____ workshop during the following term/semester _____.
